【School of Chinese Studies】

Since its establishment in 1985, School of Chinese Studies (SCS) in Dalian University of Foreign Languages plays an important role in teaching Chinese as a foreign language in China. It is the first Education Training Base for foreign students in Liaoning province, a National HSK Testing Centre and multilingual base for promoting the Chinese language in Dalian.

We can accept international students who study Chinese in long-term, short-term, or for bachelor degree, master's degree and doctor's degree. There are about 1,500 international students studying Chinese language or Chinese culture in our university every year.

【Short-term Chinese courses】

In order to provide more opportunities for those interested in China overseas to study Chinese, improve their Chinese level, and experience the Chinese culture in China, SCS provides short-term Chinese courses during the summer vacation.
